

Thank you for your interest in attending the **International Live Music Conference**.

The conference is an invitation-only event, but we do welcome new delegates. There is a process however, which is that two existing delegates, who have both attended the conference at least twice, need to nominate a new attendee.

Once you have your two nominees, please ask them to confirm that they are nominating you by emailing your name and their details to registration@ilmc.com.

You will also need to email registration@ilmc.com to inform us who will be nominating you, so that we can expect to hear from them.

Once the nominations have been received and approved, we will then advise you that you are able to register for the conference. At that time, you will also be added to our database and mailing list to receive copies of the ILMC's journal - *IQ* magazine - and other mailings regarding ILMC.

If you are unsure which of your colleagues have attended the ILMC in the past, you can find a delegate's list for last year on www.ilmc.com/20 - in the Delegates section.

Please contact me if you have any further questions or require additional information.

We look forward to welcoming you to the conference soon.

Kind regards
