

An Invitation

ILMC 21 TOOK PLACE 13-15 MARCH 2009 AND WAS A HUGE SUCCESS. THE REPORT IS NOW ONLINE. PLEASE CLICK ON THE 'REPORT' BUTTON ON THE LEFT-HAND SIDE.

ONE! TWO! THREE! FOUR!

More raw than a nasty sore throat, more dangerous than running with a pair of scissors, more street credible than a traffic warden with toothache. Yes, the ILMC is back – but this time we've moved on from being boring-old-fart hippies. Thirty years on from the heyday of punk we're spitting and bouncing up an’ down and hell-bent on a new wave of anarchy and destruction.

This is your invitation to dust off your Doc Martens, polish up your safety pins and get in on the action. This website contains all the info you need about the events that you need to book in advance. As usual, we'll keep you updated all the way through to the big weekend within the pages of IQ, in our eNews mailouts and on this website.

With an invitation list bursting with some of the most revolting punks in the music business, ILMC 21 is already guaranteed to produce three days of filth and fury that will rock the music industry establishment. And since we can't seem to find anyone who will give us maximum street cred by banning the whole thing, it seems like 'anarchy at the ILMC is coming one day… erm… definitely…' So, with the number of places strictly limited, hurry up and pull your finger out and register online or get the forms back to us as soon as possible – or risk being out on the street, without any credibility, with no future and looking pretty vacant...

We mean it maaaaan...
